Letter from the Acting CEO

Dear Girl Scout Family,

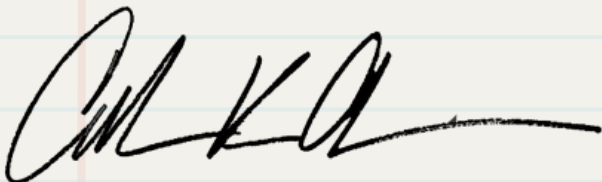

Girl Scouts Nation's Capital is thrilled to offer a diverse lineup of programs for Girl Scouts to choose from while learning key life skills, entrepreneurship, participating in hands-on STEM experiments, and exploring the outdoors.

As Girl Scouts, we are dedicated to protecting our environment and gaining life lessons from outdoor education and

adventure, which is why Girl Scouts Nation's Capital created an Outdoor Legacy Fund. This Fund will play a pivotal role in enhancing outdoor programming and fostering innovation for the Council's eight camps and ensure future generations of Girl Scouts can connect with nature, build leadership skills, confidence, and resilience, and develop a lifelong love for the outdoors.

As you read through our booklet, we encourage you to invite your Girl Scouts to try new programs and explore all Girl Scouting offers. Encourage Girl Scouts to step out of their comfort zones, discover new interests, and build lifelong skills. Whether it's outdoor adventures, STEM activities, or community service projects, there's a wealth of opportunities waiting to be explored.

Yours in Girl Scouting,

Colleen Cibula, Acting Chief Executive Officer

Troop Leader Training

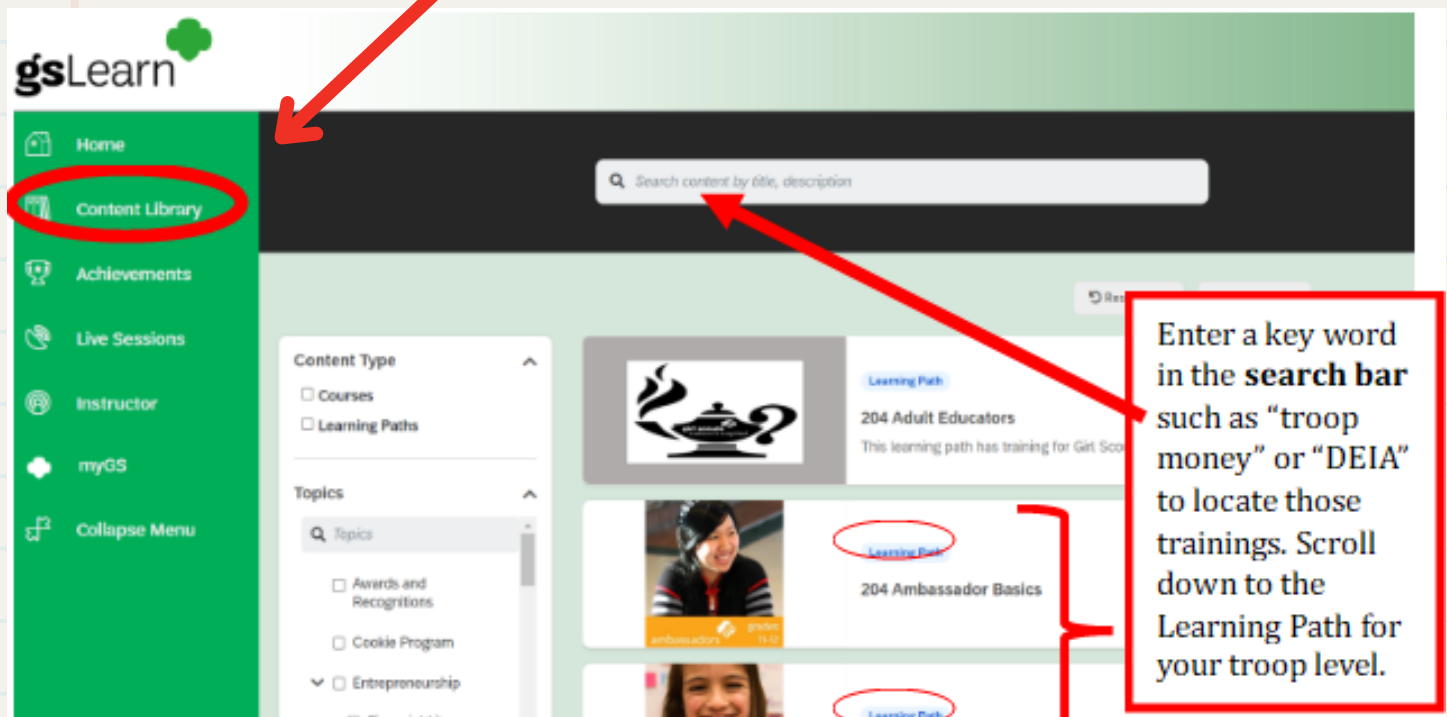

Have you completed your required training?

What is required for Troop Leaders?

- The Learning Path for your troop's program level. (For example, the Daisy Basics Learning Path, the Brownie Basics Learning Path, etc.) The learning path includes online modules followed by a live session with instructors.
- Troop Money Management – This annual course takes less than 30 minutes to complete and can be found online in gsLearn.
- DEIA Commitment and Inclusive Language training – This one-time course takes less than 30 minutes to complete and can be found online in gsLearn.

How do you get started?

Go to our website gscnc.org, log into **MY GS**, then select **gsLearn** from the options. Go to the **“Content Library”** and locate the training you need. This works best from a computer!

The screenshot shows the gsLearn website interface. A red arrow points to the 'Content Library' link in the left-hand navigation menu, which is circled in red. Another red arrow points to the search bar at the top of the page. A red box on the right side of the page contains the text: 'Enter a key word in the search bar such as “troop money” or “DEIA” to locate those trainings. Scroll down to the Learning Path for your troop level.' The search results area shows a list of training items, including '204 Adult Educators' and '204 Ambassador Basics', with 'Learning Path' links circled in red.

Questions about training requirements? Contact us at customer care@gscnc.org for assistance!

Lottery

How to Register

Sleep Away Camp registration is done by lottery. In the lottery, you'll be able to indicate what programs your camper is interested in and if placement with a buddy or sibling is preferred. Placement emails will include a link to register your camper for the program they have been placed in. After the lottery is done, the remaining spaces will be open for general registration.

Day and Evening Camp registration varies by camp. Some are first come first served, and others are by lottery.

Remember, campers must register for the program units based on the grade they are **currently in for the 2023-2024 school year.**

Financial Assistance

Financial Assistance for Camp

Girl Scouts Nation's Capital strives to make camp available to all campers regardless of their family's economic situation.

Sleep-Away Camp Assistance

There is no cost to entering the lottery. If placed, apply for financial assistance by first securing your camper's space by registering using the link provided in the placement email and paying the \$50 registration deposit. After registering, you will be provided with a link to apply for financial aid.

The final payment is due April 29. After that time registration will require payment in full. To register and apply for financial assistance after April 29, please email us at customercare@gscnc.org with the following information:

- Camper Name
- Program Name
- Session Date
- Is your camper already registered for this program?

If your camper is already registered, we will send you a link to our financial assistance online application to complete. If your camper is not already registered, we will work with you to register them in the program you selected, based on availability. We require a \$50 deposit to secure the space.

Day & Evening Camp Assistance

To receive financial aid for day and evening camps, you must apply and be approved prior to registration and payment.

To request financial aid, use:

<https://form.jotform.com/gscnccustomercare/2024SDEPFA>, which will start accepting responses on February 2. Once approved, you will be sent a discount code, and can register for camp as normal.

Diversity, Equity, Inclusion, & Accessibility

Meet Monica Brile!

Diversity, Equity, Inclusion, and Accessibility Manager

Happy New Year, Nation's Capital! For those who don't know me, my name is Monica Brile (rhymes with smile). I was previously leading the amazing AVDeities, the Adult Volunteer Development team, and now I am excited to be heading up the new DEIA department as Manager! I am eager and humbled to be undertaking this important community-building work for our

Council. In my former career as a high school choir director and art department chair, I was deeply committed to Diversity, Equity and Inclusion work, and as a person with a disability, I am also fully invested in Accessibility, as well. Additionally, I oversee our Conflict Resolution/Ombuds program. I am looking forward to partnering with you all as we work together to "build a more just community."

DEIA Council Listening Tour

Coming soon, to an Area or Association Meeting near you! Monica and members of the "Belonging Brigade" will be facilitating Listening Sessions at Girl Scout activities and events. The Belonging Brigade consists of adult volunteers and teen Girl Scouts in leadership roles. Our goal is to connect with as many adults within our Council as possible to gather feedback regarding Successes, Obstacles and Solutions (SOS) to learn how we can work toward ensuring that all of our programs and offerings are inclusive and accessible to all. Please be on the lookout for a Listening Session in your area and share your thoughts!

Diversity, Equity, Inclusion, & Accessibility

Join the Belonging Brigade!

Looking for Adult Volunteers who want to assist with gathering feedback about DEIA in our Council.

We need you to facilitate a DEIA Listening Session for Girl Scout volunteers, caregivers, and families in your area.

- Listening Sessions can occur any time or anywhere but would be most effective if offered at an event where adults can participate, perhaps when youth members are otherwise engaged.
- Consider: Volunteer and other Girl Scout meetings, Cookie Rallies, World Thinking Day Events, Teen Group Meetings, etc.

To facilitate a Listening Session, members of the Belonging Brigade will learn the following in training:

- Review basic DEIA terminology
- Reinforce the goals of Listening Sessions
- Practice facilitation and reporting skills
- Strategize organizing Listening Sessions in your area

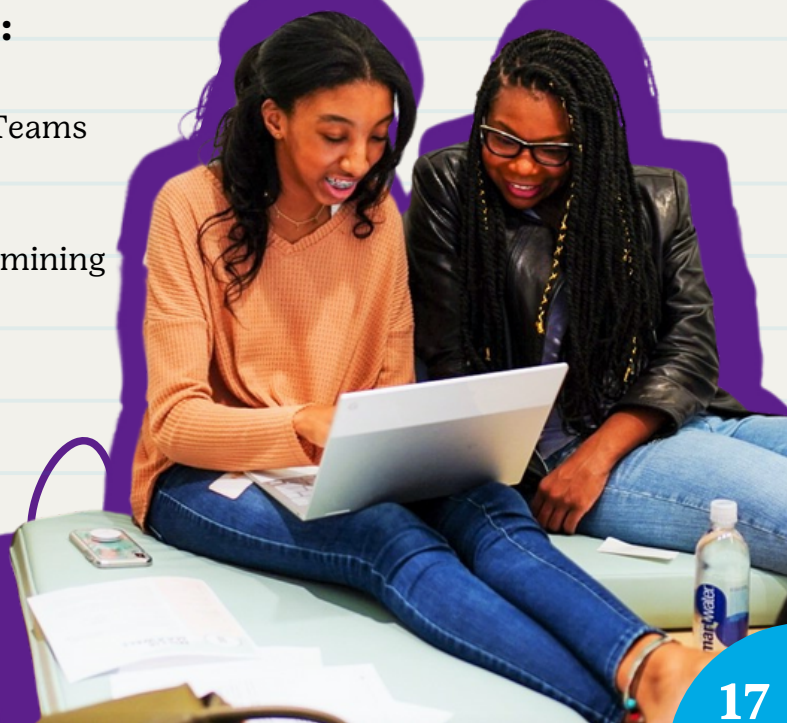

Belonging Brigade Training Sessions:

January 25, 2024 at 7pm – Virtual via Microsoft Teams
